

## Usage of 12C Perforated Stamp – Single Registered Mail

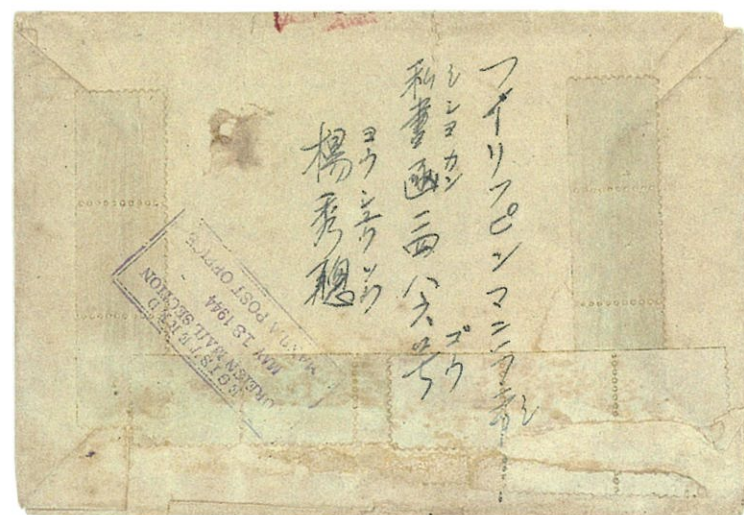

Apr. 18, 1944, Single First Class Registered Mail, Baguio City to Manila

Mix Franking of a 12C perforated stamp and a 5C regular issue for proper 17C single registered mail rate. Arrival postmark dated Apr. 20, 1944 of Manila is on the backside.

Scarce Usage: Proper commercial usages of 12C stamp for the payment of registry fee are very scarce.

## Usage of 12C Imperforate Stamp – Outbound to Japan

Copy of the backside (60%)

May 13, 1944, Single First Class Registered Mail, Manila to Tokyo, Japan

Franked with a 12C imperforate stamp together with a 5C regular issue for proper 17C single registered mail rate. Properly censored in Manila as foreign mail matters.

Scarce Usage: Proper commercial usages of any of imperforate stamps of National Heroes Issue are seldom seen.
