JEAN DE SPERATI FORGERY  
200 MILESIMAS DE PESO VIOLET-ROSE

MASTER NEGATIVES

Left - Master negative showing retouches around letters in the upper and lower tabelts on one side, and painted surround on the other side. With a note in Italian (Sperati's mother tounge and extremely rarely used in his annotations) stating "Intanto Insuff." (insufficiente) translated as "in the meantime insufficient".

Right - Master negative reaching an incredible degree of accuracy.
