2-REALES

Gooding #17F5. A very dangerous forgery. The 's' of 'Rs' is further away from the upper stroke than in the genuine and there is no period after the 's'. The bottom right circle is broken at the bottom by a slanted line. The two semi-circles above the '2' are incomplete and does not touch the bottom frame line. The inner vertical dividing line to left of scrolls is thin and broken, compared to a solid line in the original.
