                                                                                          BIDS
                                                                                                  SHOULD
                                                                                              BE BY
                      MINIMUM BIDE - should be
                       From P 1.01 to P 2.00 - 5J00 -
                                                                                            10 cents
                                                                                            20
                                                                                                     11
                                    5.01 "
                                                                                            50
                                                      10.00 -
                                   10.01 "
                                                     50.00 -
                                                                                             5 pesos
                                  50.01 and up
             4. Catalogues adopted: Scott & Bruggmam (for flown covers).
  The reason for reducing the number of lots to be admitted in
the austions is because entries are becoming exceedingly large and
the Association's aim is to give everyone the same chance of
  enjoying our philatelic bourses.
                                                                                            Tasks
                                                                                           Secretary
