Dear Friend-member:

We are pleased to inform you that as from the 15th May, 1944 we moved to our new headquarters as above which we hope will meet with your approval.

**BLIND AUCTION.** If you liked our last PICK-UR-OWN auction don't fail to be present on June 18, 1944 for the next one. We need some good lots for this auction and we accept up to 4 from each member. Lots must have a market value of not less than ₱10 each. As all lots will be on display at the board during auction, no bulky items will be accepted, however, single covers having above stipulated market value are acceptable. All lots should be presented and mounted in such a way that they can easily be put on display for the inspection of all interested members. First 150 lots shall be accepted so send yours as earliest possible.

**APPROVAL BOOKLETS.** To help beginners to build up and increase their collections as well as to give advanced collectors a chance to dispose of their good duplicates we have opened this new service which we are sure will be of interest to everybody. Submit your approval booklets filled out with good specimens in accordance with regulations and withdraw the ones you need for your collections.

Very truly yours,

VICENTE PASTOR
