HEAKE everen MAGNITUDE IN MINIATURE STAMP COLLECTING, technically known as MAY Philately, is a universal hobby Prople from all walks of life, regardless of language, race and creed, collect stamps for the simple reason 9 AM 1944 that Philately is not only a democratic hobby but also a great commoner of humanity. Con-LIPPIN trary to some belief, Stamp Collecting is not a mere pastime, but an art as well as a science, Thus, 30,000,000 stamp collectors in the whole world can't be wrong. And the thousands and an 20 PHILIPPINE PHILATELIC CLUB P. O. Box 717 Manila thousands of stamp collectory in the Philippines are part of those 10 millions. Philatelically, the members of the Philippine Philatelic Club are, an integral part, too, of the 30 million stamp collectors of the wo SOUVENIR Inauguration.....PHILIPPINE PHILATELIC CLUB,....
