
AGENCIA GENERAL DE NEGOCIOS

T. D. OGILVIE

T D Ogilvie was employed between 1867 and the early part of 1882 as a clerk with Martin Dyce & Company, merchants located at Isla de Romero 6, Manila. Although no formal records have been found, it is believed that T D Ogilvie worked as a Customs House Agent between early 1882 and the early 1890s at the Agencia General de Negocios (General Business Agency), Maritima y Aduanas (Maritime and Customs). This assumption is supported by various handstamps found applied on stamps during this period.
