

BENEDICTA JAVIER AND C. VALDEZCO

Catalino Valdezco was married to Benedicta Javier, evident from this handstamp stating her as his widow (viuda). Records between 1879 and 1882 shows Catalino Valdezco as a watchmaker in Manila and operating the business 'Relogerio de Catalino Valdezco' from Real 23, Manila. No information has been found about Benedicta Javier. It is assumed that Catalino passed away soon after 1882 when this handstamp was created.
