

1872

62-CENTIMOS DE PESETA

Gooding #46F1. Issued Imperforate in Mauve on thick, hard paper. There are no values in the right and left vertical tablets. The top and bottom curves of the value tablets are uneven and pointy unlike the original which has evenly rounded ends. Some of the lettering does not match that of the original.

1873

12-CENTIMOS DE PESETA BLUE

Gooding #NE2F1 - Miguel Segui Forgery. Typographed on medium greyish paper. The right foot on the second 'R' in 'CORREOS' is too far to the right. There is a lack of shading between the corner of the eye and eyebrow. The horizontal lines of the background touch the frame lines at left and right. The face shade lines are all of the same width. The moustache on right is formed by a wide white band.
