

This 2-line marking clearly reads "Military Sta. No. 2, Cavite/Philippine Islands." but it is a mystery in several other respects. It is previously unrecorded and unknown to specialists. The date of use cannot be determined from the above piece, consisting of wrapping paper -- probably a portion of the front of a homemade envelope. The 2 cents postage due on top of the 2 cents franking suggests a double-weight, if odd-sized, letter was sent..
