Social telegram greeting cards
Provincial origin to Greater Manila area

1959.AUG 21.
Naga City to
Caloocan, Rizal

Notes:

In October 1958, the DPWC initiated a hybrid service that combined a greeting card with telegraphic delivery. It was fast. Transmissions are made in minutes from origin post office, received by the Manila central post office's Telegraphic Division and dispatched within the day carried out by special delivery messengers. Costs varied. This example was paid 16-pesos

Happy
Birthday
