

1859 ISSUE

INTERIOR MAIL --- FROM SMALL TOWNS

From 1859 through the early 1860s, most surviving interior mail originated from Manila, en route to a Manila locale or suburb. However, interior mail from small towns is scarce, and almost never had an originating cds, although local obliterations were occasionally used. Upon destination at Manila, a Manila cds was applied.

1861 Balayang, Negros
Occidental Province
to Manila.

1861 Lingayen,
Pangasinan Province, to
Manila, with dotted
circular obliteration
applied in Lingayen.
