'A' STAMPS

'B' STAMPS

'C' STAMPS

- ★ Six(6) values issued to replace depleted stocks
- ★ NOTE: larger size makes 'A-B-C' notations very visible (relative scarcity the same)
- ★ Although designed for youth, adults used the postal bank in small towns where private banks did not exist
- ★ The postal banks could also compete with private banks as the government insured the deposits and private bank insurance was not instituted until 1963
