Chichester's Flight in 1931

Flown from Davao on Mindanao Island

Francis Chichester flew from Australia on the world's first long distance seaplane solo flight.
This cover was flown from the southern island of Mindanao to Manila on Luzon Island.

Markings

Sender endorsed
"Via Air Mail".

Manila 19 July arrival.

Comments

I have never seen another cover carried by Chichester to Manila from any other part of the Philippines.

This cover was prepared by the sender Olmedo, and not by Chichester.

Chichester was English, and not from New Zealand.

Signed by Chichester.
