Rate: 1P 6c, being

1P airmail postage per 15g.

6c regular postage to USA per 20g. Philippine letters to Europe by air also were charged the regular rate to Europe. When the air service to USA was planned, it was originally announced that the regular postage (6c per 20g) would also be charged. This rate was announced in USA, and First Flight Covers like this were charged the 6c. Before the flights started, it was decided not to charge the regular postage.
