

La Estrella Del Norte on Escolta is a Manila branch of a chain of department stores. Escolta, located at the foot of Jones Bridge in Plaza Moraga adjacent to Avenida, was once the business hub of Manila. The first day of issue cover containing the 1932 *Pictorial* stamps on the company envelope of La Estrella Del Norte and addressed to one of the owners include the “*Pagsanjan Falls error*” stamp, which actually depicts the Vernal Falls in California. Rizal experienced the breathtaking Pagsanjan Falls when he visited his girlfriend, Leonor Valenzuela.
