

PEOPLE POWER

The Filipinos' long struggle to oppose Marcos dictatorship and the assassination of Ninoy Aquino culminate in a people's revolt on February 22 - 25, 1986. Leading a series of popular demonstrations in the country, the widow of the slain Ninoy, Cory Aquino, calls for civil resistance against Marcos' regime of violence and electoral fraud. The nonviolent revolution *People Power*, ends Marcos 20-year regime.

People Power becomes a global trend.
