

Jose Rizal **SKETCHES**

More than simple illustrations, Jose Rizal's sketches tell stories of their own. They capture ideas drawn from memory, travel, observation, and the many experiences that shaped his remarkable life. This exhibit presents Rizal's known sketches (public domain images) alongside the collection of postage stamps bearing images that closely approximate their subjects, arranged in the chronological order in which the sketches were created. Together, they offer a unique visual narrative of the life, artistry, and enduring legacy of the Philippines' foremost hero and martyr, Jose Rizal.
