Rizal: Para sa Agham, Katotohanan at Buhay

The Philippine Postal Corporation issued a special stamp on December 30, 2021, in celebration of the 125<sup>th</sup> Anniversary of the Martyrdom of Jose Rizal, with the theme of "Rizal: Para sa Agham, Katotohanan at Buhay". He is an excellent example of who Filipinos can be through his contributions to the advancement of knowledge through the practice of science, the quest for truth, and the study of life. In a letter dated 1893, Rizal expressed his willingness to do everything for the people's sake, a commitment he undisputedly accomplished, and one that the youth of today can likewise make.
